

Bible Top 5

Course Synopsis

What are the top messages that God wants you to understand from His Word?

Each week this summer we will look at 5 of these key themes.

The themes will follow the concepts presented in the popular Bethel Bible Series. We will review and discuss Bethel picture and memory concepts. Most of the class time will center on discussions stemming from your comments and questions on these concepts.

If you have never gone through the Bethel Series, Bible Top 5 will give you an opportunity to consider whether to join the next Bethel class that will be offered. If you are a Bethel graduate, Bible Top 5 will give you a good review and reminder of these key concepts.

Theme categories include:

Week 1	God Prepares His People
Week 2	God Empowers His People
Week 3	God's People Turn From Him
Week 4	God Restores His Fallen People
