

Why Bethel?

Outstanding! The light bulb went off and all of the pieces finally fit together. Definitely enroll and make it a priority to complete the entire course.
Chuck Requadt

Bethel provided the biggest impact on my life of anything I have done. I am so glad God got me there week by week.
Lisa Hendricks

It was an unbelievably enlightening experience. It answered so many questions I've had all my life. I understand so much more about life & why we are here. I want to go through it again. It was a life changing experience.
Ann Mintersmith

Now I get it! I am no longer confused about where I've come from and what I'm supposed to be doing here!
Marianna Parks

Life changing. It's a must-do for every God-seeking Christian. Could there be a larger impact to one's life?
Tim Hillebrand

Always seems to be the foundation for other Bible classes I've attended. Definitely the most I've learned from the Bible since college days at Concordia, Seward.
Mark Baacke

This is the first time I really realized how important studying the Bible is. No matter what point you are in your life spiritually, the course will enrich your life.
Becky Roberds

Bethel was the vehicle God used to bring me into Christianity! It brought about a total change, at age 39, from devout paganism...into authentic Christianity!

BETHEL

BIBLE SERIES

at Gloria Dei

*"Best Bible study
I have ever experienced.
Just do it!"*
Pastor John Kieschnick

Starts September 9 and 10, 2007

Bethel Bible Series

Do you understand God's wonderful plan for mankind?

Did God change between Old and New Testaments?

Does the Old Testament mean anything for us today?
Or is it just the story of the Jews?

The stories are interesting,
but how do they fit together in God's eternal plan?

Does the Bible say anything about
what God intends for my life?

These and other questions are answered in the Bethel Bible Study series. The Bethel Series is an overview of the Scriptures designed to provide a basic understanding of God's plan. Bethel will give you a foundation from which you can pursue and better comprehend other studies into God's Word.

Bethel is an Adult Study based on the Bible rather than on commentaries. Bethel uses retainer tools (pictures, chapter concepts) to help lock in the key concepts presented throughout the Bible. The \$32 per semester fee covers the materials that contain these tools.

This first half (9/07-4/08) focuses on God's plan as it is carried out in the Old Testament. The second half (9/08-4/09) focuses on the fulfillment of God's plan through Jesus Christ in the New Testament.

Come to one of our Introductory Sessions to learn more about this Bethel Bible Study and how you can benefit from it.

- If you have never studied the Bible, Bethel is for you.
- If you have studied the Bible but want to understand better how it all fits together, Bethel is for you.
- If you are a Bible scholar but have never studied the concepts outlined by Bethel, Bethel is for you.
