Paul updated on Colossian church via Epaphras, Letter sent via Tychicus

Philemon

Onesimus, Philemon's slave, escaped and found Paul in Rome; Paul returned Onesimus

James

Written to scattered Christian Jews around 60 AD; Filled with guidance

2 Peter

3 John

John commended Gaius for his work for the church; One sheet of papyrus

Jude

By Jude, brother of Jesus and James, to Christians in Asia Minor  
Written to urge faithfulness despite false teachings

Gnosticism

Dualism - Spirit (good) and Body (evil) are two separate entities  
Universe was created by an inferior being (the Old Testament Creator)  
A spark of God exists in all living human bodies (spirit)  
Hierarchy of angel intermediaries provides God/man interface

Since flesh is evil, man's spirit is suffocated from true spiritual values

The spirit must be "awakened" by a special knowledge (*gnosis*)

Asceticism - Subdue the flesh by self-denial, punishment and law-keeping

Sensuality - The body's evil can't affect the spirit; Do whatever you want

## Lesson - Sanctification

### Sanctification

*Sanctify* = To set apart as holy or for holy purposes

Whereas *justification* changes the status of the sinner in God's eyes,

*sanctification* changes the person

*Blooming Flower* = A right relationship with Christ brings fullness of life

John 10:10 = *I have come that they may have life, and have it to the full.*

How does sanctification lead to fullness of life?

Homework Question = Discuss as a class

*Are the lives of God's children transformed immediately and completely when they enter the household of faith or does such transformation assume a passage of time in relationship with Christ?*
