## Jesus is Tempted

Matthew 4:1-11

### Opening

- Gathering: What types of temptations do people have the most difficulty resisting?
- Today's Focus: God prepared and tested Jesus at the beginning of His ministry by allowing Satan to tempt Him with the most powerful of human temptations. Jesus showed how we can resist temptations by looking to God's Word for strength.
- Key Verses: *He had to be made like His brothers in every way, in order that He might ... make atonement for the sins of the people. Because He Himself suffered when He was tempted, He is able to help those who are being tempted.* Hebrews 2:17-18
- We have one who has been tempted in every way, just as we are – yet was without sin.* Hebrews 4:15
