People Hear About Jesus

Synopsis - Year 2, Quarter 4

How long has it been since you studied the classic stories of the Bible?

Have you ever looked at these stories from an adult perspective?

Are you a new Christian and have never heard these stories?

Bible Stories for Adults is your opportunity to become reacquainted with the Biblical characters and events that Christians have come to love. There is much we can learn about God as He reveals Himself through His-Story.
