After the body was removed, furniture was reversed and mourners sat on ground or low stools

Burial followed death as soon as possible because of warm climate

Wrapped in simple linen clothes - *traveling-dress*

Tradition had been to use finest spices and ointments, magnificent robes, valuables

Rabbi Gamaliel changed tradition with orders to be buried in the simplest linen robe

Separate linen wrapping for bodies, hands, feet and head

### A Time for Mourning *(continued)*

As many as possible joined the funeral procession, led by the mourning women  
Memorial speeches were made at the tomb, principal mourners walked back between lines  
As mourners left the tomb, they turned and said, "Depart in peace"  
No idle or uninvited talk, mourners were left alone with their sorrow  
After returning from the tomb, friends of the family served a meal of bread, eggs and lentils  
Round hard-boiled eggs and lentils symbolized life always rolling to death  
7 days of deep mourning (first 3 were days of weeping) were followed by 30 days of lighter mourning  
Forbidden to anoint oneself, put on shoes, do any study or business, or even wash  
Friends and relatives would visit the family during mourning to express sympathy  
All joined in hysterical wailing - The more unrestrained, the more honor to the dead

Did this work to let Mary privately meet with Jesus?  
John 11:29-31 = No, they thought she was going back to the tomb so they followed  
Did the worshipful Mary have a better understanding of things than her analytical sister?

Past the Third Day (*John 11:38-39*)

Did Jesus get over His emotion by the time He reached the tomb?

John 11:38 = No, He was still deeply moved - nothing wrong with human emotions

Palestinian tombs - Wealthy family tombs were natural caves or hewn out of the rock

Body first laid in entrance chamber, then moved to back chamber (6'L x 9'W x 10'H)

Shelves cut into rock to hold bodies, bones moved to bone box (ossuary) to make space

No door, Large round stone rolled in groove in front of opening to seal the grave

How did Martha react when Jesus asked for the grave to be opened?

John 11:39 = She thought He wanted to see His friend's body; now well decomposed

Mourners monitored grave for three days; believed spirit hung around body looking to get back in

Spirit left completely by fourth day since body would be too decomposed to recognize

Without medical confirmation, some dead could still be alive; after 3 days they were really dead

See the Glory of God! (*John 11:40-44*)

How did Jesus remind Martha what He had said to her messenger four days earlier?

John 11:40 = Have faith! This is happening so you will see the glory of God!

Did Jesus then ask God for the power to raise His friend?

John 11:41-42 = No, but He prayed to the Father to make sure they knew His source

What ceremony did Jesus perform to bring Lazarus back to life?

John 11:43-44 = None, He just called to Lazarus and he came out alive

How was Lazarus' resurrection similar to the one we will realize (if we die before He returns)?

John 5:28-29 = We will rise when we hear the voice of Jesus

The Response (*John 11:45-12:19*)

How did the people who witnessed this resurrection respond to what they saw?

John 11:45 = Many put their faith in Him

How did the Jewish leaders react when they heard of this amazing miracle?

John 11:46-48, 53 (45-57) = They decided to find a way to kill Him to stop Him

John 12:9-11 (17-19) = Also made plans to kill Lazarus to eliminate the proof
