### God's Plan

When Jesus ascended into heaven, the angel Gabriel came to Him and commented, "Master, you must have suffered terribly for men down there."

"I did", He said.

Gabriel asked, "Do they know all about how you loved them and what you did for them?"

"Oh, no," said Jesus, "not yet. Right now only a handful of people in Palestine know."

Gabriel was perplexed. "Then what have you done to let everyone know about your love for them?"

Jesus said, "I've asked Peter, James, John and a few more friends to tell other people about Me. Those who are told will in turn tell other people about Me, and My story will be spread to the farthest reaches of the globe. Ultimately, all of mankind will hear about My life and what I have done."

Gabriel frowned and looked rather skeptical. He knew well the sinfulness and irresponsibility of people. "Yes," he said, "but what if Peter and James and John grow weary? What if the people who come after them forget? What if way down in the 21st century people just don't tell others about You? Haven't You made any other plans?"

Jesus answered, "I haven't made any other plans. I'm counting on them."

Twenty centuries later ... He still has no other plan. He's counting on you and me. His early disciples adopted His priorities and devoted themselves to reaching their world. Christ counted on them and they delivered. Have we done as well?
