

Winning Friends for Christ

Synopsis

God has purposely placed each of us into personal relationships with people He desires to bring into His kingdom of heaven for all of eternity. Some of these people have received the keys of the gospel, while others are facing a locked door.

You have been given the keys by Christ and are called to pass them on to those outside. Who has God brought to you where you have a unique opportunity and relationship to offer the keys to the greatest gift ever - eternal life in heaven? How can you pass on the keys?

Winning Friends for Christ will show you how you can bring to your friends the Good News that they have been won by the blood of Jesus Christ shed on the cross so that they, along with you, may become a part of God's family by grace through faith. That's the best news anybody could possibly share!
